

**HIDDEN PLACES.**  
Why a vessel should have a rat is strange, as he is only an elongated rat himself. Rats and mice love hidden places, and a vessel is about the only living thing that can find them out. Aches and pains are like rats and mice. They seek out the hidden places of the human system and gnaw and ravage the muscles and nerves. St. Jacobs Oil, like a vessel, knows how to go for them. It will penetrate to the secret recesses of the human system and gnaw and ravage the muscles and nerves. St. Jacobs Oil, like a vessel, knows how to go for them. ## Gladness Comes

With a better understanding of the transient nature of the many physical ills which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact that it is the one remedy which promotes internal cleanliness, without debilitating the organs on which it acts. It is therefore all important in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only, and sold by all reputable druggists.
